On one of the most elegant streets in the city we find this 130 m<sup>2</sup> unique apartment with bright, spacious rooms and enormous potential to be a stylish, contemporary home.

One of the highlights of this property is how versatile its layout is. On entering we see a large living space with 2 large windows and elegant balconies. From the hall we have access to 3 bedrooms, a unique bathroom and a small kitchen, and just at the west end, next to the master bedroom, is a terrace.

The spaciousness, high ceilings, contemporary touches, and wonderful restoration work in the building and communal areas, add quality to this unique, luminous white property in the city centre.
