OVERVIEW

Property to buy and renovate next to the cathedral with 3-metre high wooden ceilings.

In one of the most renowned streets in the neighborhood of La Seu, and just a few metres from the cathedral, we find this blank canvas. Property with abundant natural light showing the original roof structure with suitably reinforced wood. Its sloping ceilings provide the property with great height that allows for a loft of 30 m². The exterior walls are completely new and the property enjoys great natural light. A lift is to be installed as soon as possible.
