Renovated apartment for sale just a few metres from Plaza de la Virgen

Renovated apartment with quality finishes in a historic building in La Seu, Valencia.

On one of the quietest and most elegant streets of Ciutat Vella, we find this gem, located in a stately building and completely renovated.

The property, which sits between the Plaza de la Virgen and Turia River Gardens, has been renovated to a high standard. On entering we see a natural wood floor with original exposed beams, in a convenient entrance hall that separates the day and night areas.

The living room is completely outward facing, warm and welcoming thanks to its fireplace and its many balconies, yet quiet due to the great sound insulation.

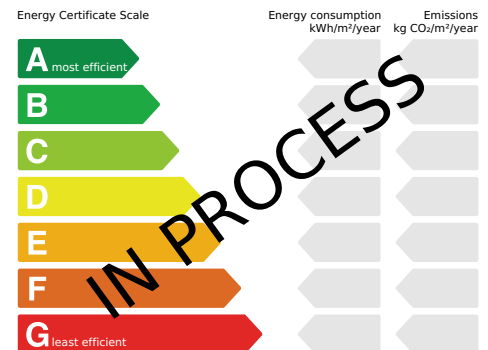

Next to this area we find a double bedroom, fully renovated kitchen, and a bathroom. We find another double bedroom and the master bedroom, which has a large dressing room and its own bathroom.

Enjoy privacy and quality of life equally in this wonderful unique property.
