€900,000 Plot - For sale

Plot of land for sale for a new build, just steps away from Malvarrosa Beach, Valencia.

Great opportunity for investors to acquire this plot of land.

Lucas Fox proudly presents this fabulous plot for sale with the possibility of erecting a new build with a built surface area of up to 2,106m².

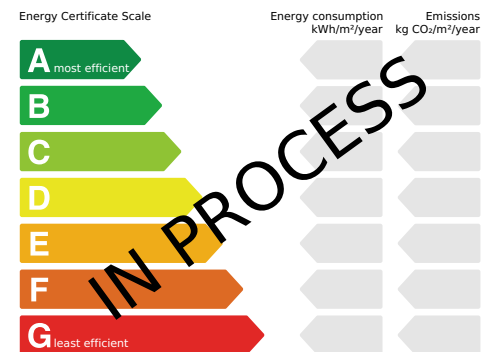

The property is considered residential urban land, permitting the construction of homes or even student residences. The proximity to Malvarrosa Beach and La Patacona makes this a very attractive location.

The project permits a 3-façade buiding (east, south and west), next to a large pedestrian square and a green area which forms part of the urban planning project.

A great opportunity for investors.
