OVERVIEW

Modern 4-bedroom villa with a pool, plenty of natural light and luxury finishes for sale in Los Monasterios.

In one of the best areas of the Los Monasterios residential community we find this modern villa which combines design and practicality. Spread over one floor, this is an ideal home for a family with children or someone with reduced mobility.

The straight lines and open spaces mark the minimalist design of both the interior and exterior, perfectly combining the warmth of wooden flooring with the modern architecture.

The property is organised around an interior patio which provides light for the kitchen and the living room - dining room. It has 3 bedrooms and a study with floor-to-ceiling closets throughout the house. The whole home can be seen from the designer kitchen.

An open, bright social area, equipped with designer Italian furnishings leads us to a terrace and the swimming pool. The large master bedroom has its own dressing room and bathroom and also enjoys access to this terrace via large glass doors.

Finally, we find the barbecue area just a few metres from the patio.
