Designer apartment for sale in Modernista building in Pla del Remei.

Wonderful, sunny, loft-style apartment with views over the best spot in Valencia's Eixample.

In the heart of the Valencian Eixample, we find this property with 2 bedrooms and 2 bathrooms which have been carefully designed down to the last detail.

This apartment is fully renovated. It has been designed maintaining the original mosaic floor tiles which are so characteristic of Valencia. With just 2 doors per floor you can enjoy the comfort and exclusivity of living in the Pla del Remei with this fantastic property.

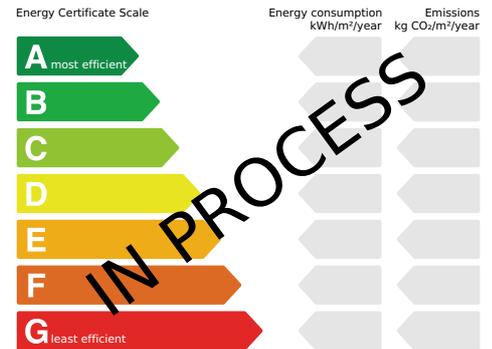

The Modernista building with high ceilings recreates the charm of the Valencian bourgeoisie of the early XXth century with a renovation that has recovered the traditional elements such as the flooring and exposed brick walls, combining them with modern elements of contemporary architecture.

The northeast orientation facilitates the entry of natural light in the morning and the height of the property lets you enjoy tranquility and beautiful views.
