Large property to renovate with terrace for sale in Pla del Remei

Property to buy and renovate to taste in a stately building in Pla del Remei with a sunny terrace.

This property is located in a historic Modernista building in the residential district of Pla del Remei. Access is in the central portion of the property, which is divided into 2 areas, one for the living area and one for the bedrooms.

The main rooms face the huge east-facing terrace, which has a bar and fireplace built into it. Thanks to the large sliding doors of the living room, the interiors and exterior communicate seamlessly.

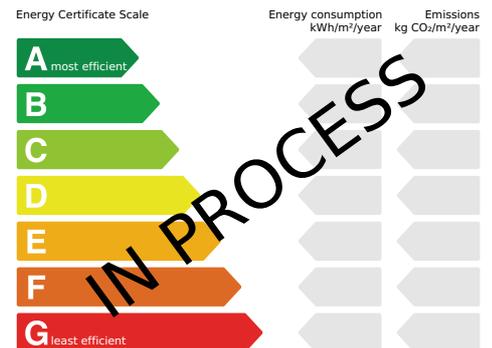

The bedrooms are on the exterior side and next to the building's interior patios. The double bedrooms are particularly spacious and have plenty of storage space and there are spare rooms in the service area.

This is the ideal choice for those who wish to live in the centre of the city, in a stately property to renovate as desired, opening up to spectacular landscaped private outdoor space.
