OVERVIEW

4-bedroom villa at an unbeatable price in the most peaceful area of Monasterios, Valencia.

Barely 2 minutes from the country club, surrounded by nature, we find this villa in Monasterios, a real gem for its location and price. Some minor updating will make this a magnificent property surrounded by the Sierra Calderona. The villa is located on top of a hill, flanked by the foothills of another hill, forming a haven of peace and tranquillity. The lower part of the plot has a newly renovated pool which offers plenty of privacy as it is surrounded by pine trees.

A double height entrance hall welcomes us with a great feeling of spaciousness. From here we access a bedroom, a bathroom, and the living area, consisting of a sitting room, a spacious living room – dining room (which has a fireplace) and the kitchen. This floor has large glazed spaces and direct access to the terrace.

On the top floor are the sleeping quarters which include 2 bedrooms, a bathroom and the master bedroom, with dressing room and en suite with a jacuzzi. What's more, there are 2 terraces that serve the 3 bedrooms. On the lower ground floor there is a storage room, a wine cellar, garage and a shower area and toilet for the pool.

An excellent opportunity thanks to the price, location and the little investment to be made by updating the property.
