OVERVIEW

Fabulous villa for sale in Monasterios with the best location and a 3,000 m² plot.

Located a few metres from the Monasterios Country Club we find this property, which stands out for the quality of construction and the immense space it offers both inside and out.

Its plot of almost 3,000 m² offers a wonderful mature garden surrounded by stone walls, extensive lawns, fountains and a huge swimming pool with a unique motorized cover. The property is distributed over 2 floors, with 2 large terraces facing the garden and pool, overlooking the sea.

The main floor is built around 2 covered terraces that provide light and life to the centre of the house. Wooden floors provide a sense of warmth and continuity throughout the house, leading from the living room to the bedrooms, facing the sea and with great views and access to the terrace. This floor also offers a large kitchen and access to the lower floor.

On the lower ground floor are the service and utility areas, the garage and access to the terrace, pool and garden. The property has great attention to detail and the highest specifications in terms of insulation, air conditioning, security and gardening. Also it stands out for its proximity to the country club, the security of the plot, and the little added luxury of a sauna.
