Renovated apartment near Valencia Cathedral and Plaza de la Reina

223 m² renovated apartment in a Modernista building with a lift in Ciutat Vella, Valencia. Located on a peaceful street with floor-to-ceiling windows and 2 balconies.

This apartment boasts an excellent location in the heart of the historical centre of Valencia, in the district of Ciutat Vella. It is in an attractive Modernista building with a lift and has 2 balconies over the façade.

On passing through the entrance hall we find a guest toilet and the kitchen, which is located in the centre of the home, dividing the day and night areas, both of which are distributed around 2 courtyards with access to an exterior gallery that doubles as a utility area. The sleeping area offers 2 single bedrooms, a bathroom and the master bedroom with an en-suite bathroom.

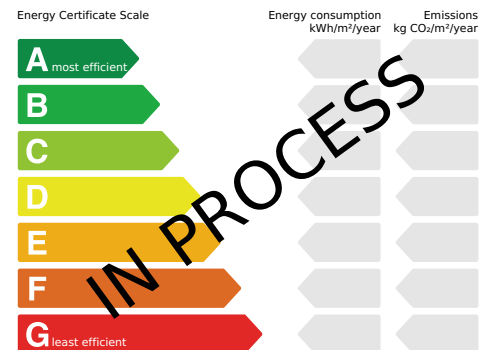

Highlights include high ceilings throughout the apartment, creating large spaces both in the hall and the spacious living room.

A modern renovation has been carried out and the apartment now has 2 air conditioning zones and a built-in music system throughout. In addition, the property has a storage room on the ground floor of the building.
