Apartment to renovate in a building with a lift on Gran Vía, Valencia

185 m² high floor apartment to renovate in a building with a lift on Gran Vía Marqués del Turia. 5 bedrooms, 2 bathrooms and a living room with a balcony.

185 m² property located in a Modernista building on Gran vía del Marqués del Turia, a wide, leafy avenue in central Valencia.

The apartment is found on a high floor and boasts high ceilings and great renovation potential. It has a spacious living room with a fireplace with large windows and a balcony over the building's façade. The hall also leads to a room which could be an office or could join the living room to create a large space formed of 3 connected rooms.

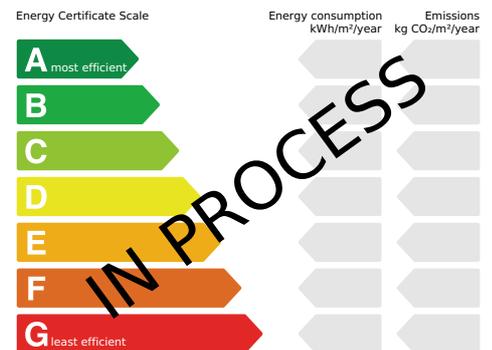

The rest of the property is organised around 2 courtyards, so that all rooms have natural light and ventilation, leaving the bathrooms and kitchen in the central part of the apartment and the bedrooms at the southern end. The 2 largest bedrooms are also the brightest, with windows over a large, bright block patio.

A well located property with heating, high ceilings, a fireplace, and great renovation potential in a building with recently renovated communal areas.
