Sunny 210 m² apartment to buy and renovate on Plaza España, Valencia

Spacious 210 m² apartment to buy and renovate with a 10 m² south-facing terrace and a garage parking space in an emblematic building on Plaza España, Valencia.

We enter a hall that leads to a sunny living room with two exits to the south-facing terrace overlooking the main facade of the building. Adjoining the living room is the master bedroom with direct access to the terrace and a private bathroom.

From the living room we can access the dining room and another bedroom or sitting room next to this. If we continue along the corridor there is a double bedroom and a bathroom.

At the back of the apartment is the bright kitchen with large patio windows overlooking the block patio that gets lots of light and facilitates natural ventilation. Next to the kitchen is the service bedroom with a toilet and a second entrance to the apartment.

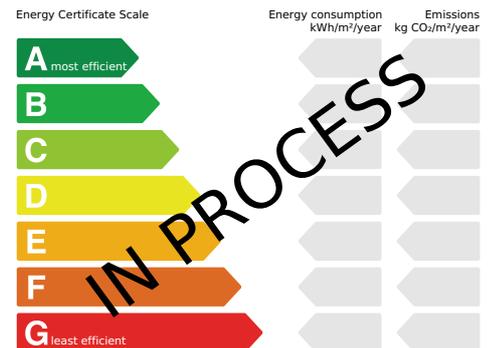

The apartment is in a building with 2 apartments per floor, both with access to 2 lifts and 2 service lifts. It also has a concierge service during business hours and 24h exclusive concierge for the garage.

A unique feature of this building is that it has its own well for supplying the homes with water.
