Excellent semi-detached house with 200m² garden to buy, Alfinach

4-bedroom house that has undergone an incredible modern renovation with top quality materials, located in Alfinach.

This property is a hidden gem in the heart of the Alfinach community. It is a semi-detached house located in a quiet area, with easy access and high security.

A recent renovation gives it a modern and luxurious character, with the best qualities and finishes. On the ground floor is the living area, consisting of a large living room with a fireplace, a dining area, a spacious kitchen with a pantry and a guest toilet. All rooms have windows and have direct access to the terrace and garden, which gives them plenty of natural light. Great attention has been paid to every last detail, as can be seen in the kitchen that is equipped with Gaggenau appliances.

A designer staircase leads to the first floor where there are 2 bedrooms sharing a bathroom, one of which is fully equipped, with ample space and access to a large terrace. The master bedroom is the highlight of this floor, with its en-suite bathroom and a spacious dressing room.

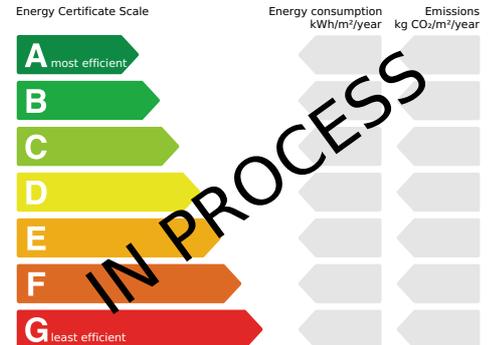

On the second floor there is a large airy loft with a private terrace and great views of the Calderona Mountain range.

A fabulous opportunity for its reasonable price and luxury finishes.
