### OVERVIEW

## 225 m<sup>2</sup> apartment with 4-bedrooms, service entrance and an office, ideal for an independent professional with a large family.

This incredible property, with 4 bedrooms and 3 bathrooms, presents great possibilities for renovation and redistribution. It offers a built size of 225 m<sup>2</sup> and is ideal as a family home with an office for a client that works from home.

We enter a hall that leads to a spacious office with direct access to the large living room; both rooms face a glazed balcony. From the living room - dining room we access the corridor that faces the huge kitchen which has a service room and a large gallery in which there is the service door.

Going back to the corridor we now go to the night area with 4 bedrooms, 2 of which have en-suite bathrooms, the other 2 share the bathroom that is in the corridor.

All the rooms are spacious and bright with large built-in wardrobes that have lofts. A great opportunity to renovate this property and tailor it to your own taste.
