### OVERVIEW

## Bright, renovated apartment with large windows and abundant natural light.

Presenting this cosy apartment with abundant natural light thanks to its exterior nature and south-facing orientation. The layout makes optimal use of the available surface area composing a living-dining room with in-built kitchen, a double bedroom with storage area and a fully-equipped bathroom.

The property is situated on the third floor of a recently constructed building with elegant and modern communal areas. The building is located on the corner of one of the most lively pedestrian streets in the city.

Highlights include the large windows, designer renovation and use of modern materials. The central location, just a few steps away from the Plaza del Ayuntamiento and close to the commercial and financial district, make this a highly-attractive option in the city of Valencia.
