OVERVIEW

Minimalist design with original little details in this cosy, modern, renovated 3-bedroom apartment.

Forming part of a Modernista building in the central district of Gran Vía, this magnificent property has an innovative and comfortable layout that allows the main rooms, located in the most private area to open directly to the spectacular 90 m² terrace through large glass panes, making this a wonderful, peaceful garden property in the centre of the city.

The property has been renovated with materials of excellent design and quality, with large windows and glass panels, keeping some original Modernista features such as the brick façade, high ceilings with elegant mouldings and wood interior woodwork.

It has a spacious living room connected directly to the kitchen through large sliding glass doors, leading to the exclusive terrace garden with its simple design and minimalist lines, lighting and the right choice of vegetation and outdoor furniture with chill out area (jacuzzi, barbecue, outdoor shower with hot water and fountain), creating a peaceful and relaxing atmosphere, making this home a real oasis within the city. The rest of the property includes a complete bathroom with an original style bath, master bedroom with en-suite bathroom with natural lighting and 2 bedrooms that overlook the main facade.

This incredible property also has an outdoor utility area with a washing machine and tumble dryer.
