3-bedroom penthouse to renovate for sale on the seafront in Albufereta

Surprising 3-bedroom penthouse, to be renovated, with exceptional views over the mountains, the headland and the Mediterranean.

This astonishing 148 m² penthouse can be found on the seafront, near to the Blue Flag awarded Albufereta beach, known for its cleanliness and tranquillity. Due to its fantastic location, the property offers enviable views over the Serra Grossa mountain range and the beautiful Mediterranean sea.

Currently, the property is spread over 3 bedrooms with access to the front terrace, giving every room a south-facing position with excellent sea views. There are also 2 bathrooms and a large area where a living room, dining room or kitchen could be placed, offering more incredible views of the sea and the mountains.

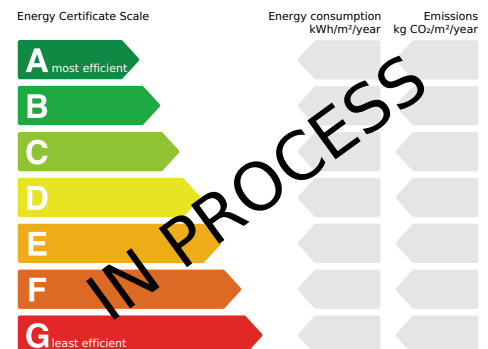

The building provides a variety of exterior parking areas, one at entrance level, one at pool level and a third private area in the garage. The pool is located in the garden of the property, the most private area, striving to assure privacy and tranquillity for the owners.

The property was updated in 2005, but with a partial renovation it will be able to reach its maximum potential as a marvellous property, to be wholly enjoyed.
