OVERVIEW

This magnificent, carefully renovated 3-bedroom apartment is in a 1920's building, very close to the tourist attractions that make Alicante unique.

With its modernist-style entrance, the historical character of this building is undeniable and is reflected by each of the apartments it contains.

A lift leads up to the fourth floor of the building. On entering the apartment a hall opens into the living room with street views. The master bedroom, also facing the street, features a dressing room and en-suite bathroom with double basin and a large hot tub. This bedroom boasts a lovely period balcony, the perfect spot to enjoy a drink.

A corridor leads off to the left of the hall towards another bathroom, a bedroom on the right a further bedroom on the left, all with abundant light and ventilation. At the end of the corridor there is a very large kitchen, professionally equipped and with a breakfast bar, dining table and a newly renovated utility gallery.
