€680,000 Penthouse - Sold

Spectacular penthouse for sale in the centre of Alicante with the best panoramic views from its terraces.

Splendid 5-bedroom penthouse apartment that offers an excellent quality of life in a building with incredible views of the city, located on the elegant Avenida Federico Soto, near the Luceros fountain.

To reach this property we find the entrance of its elegant building that allows access normally, although it also has a ramp with an automatic opening door. The lift will take us to the entrance of the apartment on the tenth floor.

Once there, to the left of the hall, we find a reception room that can be used as an office. Next to this room, the living room is located, which begins to show the greatness of the views of this attic. Following in the same direction, we see two bedrooms and the master bedroom at the back of the property.

Walking down the hall to the right, there is another bedroom that, like the previous ones, faces the exterior. At the end of the hall are two complete bathrooms. Upon returning down that hall and in front of the bathrooms, there is an entrance to a spacious kitchen with a large gallery and a service entrance with its lift, so the property has double access by lift.

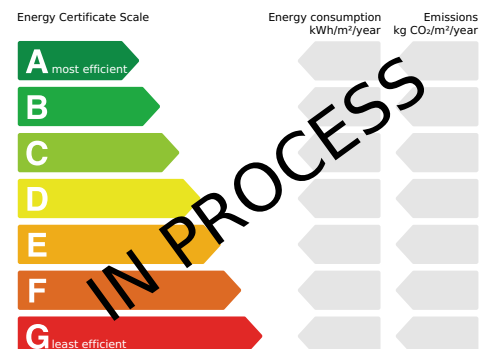

Last but not least, we must highlight the 84 m² of terrace with access from all of the bedrooms and the living room. It is very wide and has panoramic views of almost 360 degrees of the city, so you can appreciate the best of Alicante, while providing light and air to the home.
