OVERVIEW

Spectacular new-build apartment with stunning sea views on the first floor of a luxurious development with swimming pools, sauna, fitness area and Turkish bath.

Magnificent apartment in Blue Infinity, a new seafront development located in the Cumbre del Sol, the most privileged area of Benitachell.

Residents can enjoy the excellent ground-floor communal areas including an outdoor infinity pool and sun terrace to enjoy the excellent year-round climate, gym and wellness facilities (heated pool with Jacuzzi, sauna, Turkish bath and relaxation area). Everything you need to relax opposite the Mediterranean Sea.

Just 5 minutes away you can find the wide range of services offered by Cumbre del Sol: a shopping area, supermarket, hairdresser's pharmacy, bars and restaurants, tennis and padel tennis courts, the Lady Elizabeth School, horse riding centre, beaches, coves with beach bars, etc.

As we enter the property, we get a feel for the apartment's spaciousness and elegance. On the left we find the first of three bedrooms and, on the right, a utility room. A corridor leads to the second, smaller, bedroom and the first bathroom. From here we reach the spacious living room with fully equipped open-plan kitchen; with white and wood finishes, it adds a touch of warmth and brightness to the space.

To the right, facing the spectacular terrace that awaits us behind the large windows in the living room, there is an ample dressing room with built-in wardrobes leading to an en-suite bathroom, on the left, and, on the right, the master bedroom with terrace access.

Both the interiors and exteriors are designed to optimize space and offer an unbeatable quality of life. The 47 m² terrace is flooded with sunlight, with the sea in the background.
