2 Bedrooms **2** Bathrooms **124m²** Floorplan

OVERVIEW

Elegant renovated apartment with 2 bedrooms and 2 bathrooms with lots of light, in a central location.

This beautiful 124 m² apartment is located next to Plaza Portal de Elche. It is on the first floor of a beautiful building, without an elevator, that overlooks a pedestrian street very close to the Rambla. The area is very well connected to the rest of the city by public transport.

The property has undergone full renovation with features such as wooden flooring adding a special charm. The property receives abundant natural light thanks to the balcony facing the street and windows onto the inner courtyard.

The space is divided into day and night areas: the day area is on the side of the apartment closest to the street and the night area is on the opposite side and therefore very quiet.

The main door opens into the spacious living-dining area and open kitchen with a balcony. A built-in cupboard occupies an entire wall of the living area. The elegant black kitchen is fully equipped with built-in fridge and dishwasher, oven, extractor fan and induction hob.

A corridor to the right leads to the first bedroom. There is another bedroom with en-suite bathroom and a further bathroom. Both bedrooms have large built-in wardrobes and open onto a pleasant interior courtyard which could be converted into a small garden given the abundance of natural light.

There is hot and cold air conditioning throughout the apartment.

Ideal as a primary residence or as an investment given the spectacular location.
