New build townhouse for sale in Villajoyosa, Alicante

Elegant new build townhouse with a terrace in the protected natural area of Allonbay.

Allonbay is a private gated complex of 71 carefully designed homes. The development offers townhouses, apartments, duplexes and penthouses with 2 or 3 bedrooms.

It is located on an age-old site where, just like the ancient inhabitants of the city of Allon, you can enjoy a bay with turquoise sea and a beach with crystal clear waters. In addition, residents benefit from all the exclusive services of a modern and luxury development: a green esplanade with Mediterranean trees, community pool with lawn and beach areas, indoor water area with spa, heated swimming lane, jacuzzi and Turkish bath, playground and gym.

The second phase of this fantastic promotion, currently under construction, will be delivered in June 2021.

This incredible 243 m² townhouse has a north east orientation. White and winding curves illuminated by the warm Mediterranean sun merge with the discreet luxury of a home designed to enjoy interior and exterior space, thanks to its 133 m² interior net surface area, 110 m² terrace and 150 m² garden.

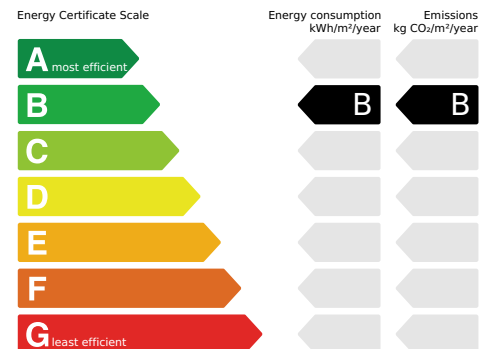

All homes have a parking space in the underground garage of the development.
