OVERVIEW

This wonderful 3-bedroom penthouse with a private 100m² garden can be found in the small parish of La Massana.

Located in the exclusive area of Anyós, in a small mountain parish, the penthouse enjoys spectacular views down the valley. It can be found on the third floor of a traditional building with no lift and benefits from a private 100m² garden to the rear of the property.

This rustic penthouse consists of a large living room, with a terrace to the front of the building, and is connected to the open-plan and fully-equipped kitchen, through which we find a small larder. From the back of the living room you can access the large private garden. Down a corridor is a guest toilet as well as the night area of the penthouse. This consists of the main double bedroom, with a small terrace to the front of the property, 1 further double bedroom, 1 single bedroom and a shared bathroom.

Due to its south facing orientation the property benefits from plenty of natural light all day. The penthouse comes equipped with double glazing as well as a private garage. There is the possibility of renovating some areas of the apartment, if the new owner thinks it necessary.

A lovely penthouse for sale in a beautiful area of Andorra.
