OVERVIEW

Wonderful brand new apartment in a newly built residential area, near Grandvalira, with an incredible 143m² terrace with beautiful views down the valley. It also includes 2 parking spaces.

This completely new residential area, is found in the lovely area of Tarter, in the Canillo parish, just a few minutes' walk from the Grandvalira ski slopes.

This spectacular apartment is found on the ground floor of the building, which only has four floors. It measures 139m² and offers a great layout that makes the most out of the space available, creating spacious rooms, like the ones we find in the night area: 3 double bedrooms, 2 bathrooms and an en-suite bedroom, which offer maximum comfort for those who live there.

In the day area is a large living-dining room with a fantastic open-plan kitchen and a 143m² terrace that runs along the whole side of the apartment, allowing as much natural light as possible into the apartment for most of the day. From the terrace you can enjoy the incredible views down the valley.

Also, it includes 2 parking spaces in a garage, and there is the possibility of acquiring additional parking spaces and a storage room in the same building for you to store everything you need.

This property is ideal for those who love the mountains, hiking and doing other activities in nature.

Available in the summer of 2019.
