### OVERVIEW

## **Magnificent renovated house with design finishes, natural light and beautiful views, for sale in a very quiet urbanization in La Massana.**

Design apartment located in a quiet urbanization located a few meters from the centre of La Massana, with all its services within reach such as shops, restaurants, public transport and even several international schools. In addition, it enjoys a south orientation so it receives abundant natural light throughout the day.

The house is in a building that includes a private parking space and 2 private storage rooms, as well as an outdoor area with several additional unassigned parking spaces, for the exclusive use of neighbors. The apartment is completely renovated with design finishes and modern style, which contrasts with the classic style of the building.

We access a small hall that distributes all the rooms of the house. First we come to the independent kitchen, spacious and functional and equipped with great pleasure. Next, we find the master bedroom with private bathroom with bathtub, dressing room with fitted wardrobes and beautiful frontal views of the valley.

The main area of the house has a double height living-dining room that clearly differentiates the living space from the dining space. The living room is at the bottom and is complemented by a designer fireplace and access to a 16 m<sup>2</sup> terrace with spectacular views of the La Massana valley.

Finally, it has 2 double bedrooms, both with fitted wardrobes and exterior, a bathroom with shower and a small terrace located at the back of the floor, currently used as storage area. It also has oil heating and underfloor heating in the bathrooms.

An ideal home for families as a first or second residence, thanks to its excellent location in a quiet and family area close to all services. Contact us to arrange a visit.
