### OVERVIEW

## Spacious high floor apartment with terraces, 2 parking spaces and a storage room, with spectacular views over Diagonal.

On the 8th floor of a modern building on Avinguda Diagonal, we find this property of 191 m<sup>2</sup> with 2 terraces, one of 15-20 m<sup>2</sup> and another of approximately 5 m<sup>2</sup>.

The entrance hall leads us to the very spacious living room – dining room with an elongated south-facing terrace with great views over the Diagonal and Montjüic. The kitchen is spacious and modern, with a separate utility area. Passing a guest toilet in the corridor, we arrive at a flexible space, next to the service entrance, that may serve as a second lounge, a TV room, a fifth bedroom or a play room for example, depending on the new owner's preferences.

Finally we come to the night area which consists of 4 bedrooms, one of which has an ensuite bathroom, and a complete shared bathroom. The bedroom suite has a terrace with leafy views as far as Tibidabo and the other 3 bedrooms are all bright and equipped with fitted wardrobes.

This property has all of the essential features for a comfortable, functional home in the city: 2 parking spaces, a storage room, abundant light, and good ventilation thanks to dual aspect, a strategic location and no need for renovation.
