OVERVIEW

Renovated 4-bedroom penthouse combining historical charm with modern elegance, for sale in El Born, Barcelona.

Located at the historical heart of Barcelona, this beautifully renovated property in El Born would make an exceptional family home in a very central location. El Born, a vibrant neighbourhood with a wide range of boutique stores, restaurants and cafés, is close to the beach as well as being very well connected to the rest of the city by public transport.

The building itself dates back to the year 1900, has a lift and boasts beautifully restored original elements. This property has been thoughtfully renovated to maintain charming features such as exposed wooden brickwork and beams, and wooden and tiled flooring, whilst at the same time introducing elegant modern finishes.

With free flowing living and dining spaces opening onto balconies and a beautiful, modern kitchen, the apartment is spacious and bright. This property has a total of 4 generously sized bedrooms and 2 bathrooms, making it an ideal family home. As well as stunning interiors, this city centre apartment offers excellent outdoor space in the form of a spectacular 63m² private roof terrace, offering views of the surrounding area.

A very special home which perfectly combines historical charm with modern elegance. Contact us today for more information.
