OVERVIEW

Excellent renovated apartment with abundant natural light for sale in an exclusive area next to Turó Park.

This excellent, newly renovated apartment on a high floor enjoys abundant light and is located in a building dating back to the 1970s with a concierge service and 2 lifts.

The property offers a spacious and comfortable living room with a fireplace and a dining room with magnificent views of the Pool and Sports Gardens. Previously there was a terrace of approximately 10 m² at one end of the dining room and it would be possible to reopen the terrace if the new owner wishes to do so. The kitchen, equipped with high-end appliances, is built into the living room, separated by a large glass panel that can be opened if desired. The kitchen has been renovated and includes the laundry area, generating a feeling of spaciousness with minimalist lines and neutral tones.

Next to the living room we find the night area which consists of the master bedroom with a large window that floods the space with light, 2 very large double bedrooms, a single bedroom that is currently used as an ironing room and a bathroom.

The property has air conditioning, heating and double glazed windows to ensure comfort throughout the year. The building does not have a private garage, but it is possible to buy or rent one nearby.
