OVERVIEW

Brand new 2-bedroom apartment for sale in a historic building close to the cathedral in Barcelona's charming old town.

La Palla Apartments is a very special new development in a building dating back to 1412, close to Barcelona's cathedral and the church of Sant Felip Neri. With its original, listed façade and a cloister with arches and a small chapel, the building offers unique city centre homes.

Full Renovated, the building now includes 17 stunning apartments. Modern design has been carefully combined with the restored original features to achieve a collection of stylish apartments. This particular apartment measures 85m² with 2 bedrooms and 1 bathroom. The open plan living area with equipped kitchen-diner is spacious and modern with large windows allowing plenty of natural light to fill the space.

The apartment boasts excellent quality finishes and materials including Porcelanosa flooring with underfloor heating, a Mitsubishi air conditioning system and ceramic brick walls with thermoacoustic insulation. There is also LED lighting.

Residents have access to a communal roof terrace, perfect for making the most of the excellent climate.
