OVERVIEW

Beautiful 1-bedroom loft apartment with 4-metre high ceilings, for sale next to Avinguda Paral·lel, an ideal pied-à-terre in Barcelona.

This industrial style loft is on the ground floor of a renovated building next to Avinguda Paral·lel and Ronda Sant Pau. The apartment is brand new, renovated with excellent materials whilst conserving beautiful original features, such as the 4-metre high ceilings and exposed brickwork.

There is both private street access to the property and access through the lobby. When entering from the street, first we find a large hall with semi-opaque glass doors, which allow natural light to enter whilst at the same time ensuring privacy.

The living room is large with an open kitchen semi-equipped with Bosch appliances, and in the interior part of the property there is a double bedroom with a bathroom.

The loft has a certificate of occupancy and hot & cold air conditioning for comfort throughout the year.
