OVERVIEW

Wonderful penthouse with 4 bedrooms and 2 terraces in the privileged area of Turó Park with parking space included.

This wonderful penthouse with a terrace is located in the heart of Turó Park, one of the most privileged areas of Barcelona. Although the property is in good condition, it would benefit from an upgrade to reach its maximum potential and become an exceptional home in the Zona Alta of Barcelona.

The penthouse boasts particularly spacious, bright rooms and a large terrace, which offers stunning views of the city and out to the hills. In addition, it includes a parking space in the price with exterior access in the adjoining building and another optional space in the same garage.

Upon entering the penthouse, we find a spacious living room to the left with large windows that provide plenty of natural light and access to a terrace of 38 m²: a space that offers incredible views of Barcelona and the mountains, perfect for chairs and a table for breakfast on weekends or sunbathing.

Next to the living room, there is a practical kitchen, which is spacious and fully equipped, with access to a utility area. A guest bathroom and a small bedroom, used as a walk-in closet, complete the day area.

At the other end of the home is the sleeping area, which consists of 4 comfortable bedrooms: a single bedroom that can also be used as an office, 2 double bedrooms and the master bedroom with its private bathroom, dressing room and access to a terrace.

The property has wooden floors and is equipped with air conditioning and heating to ensure maximum comfort.
