OVERVIEW

Fantastic 5-bedroom family home in a building with swimming pools, a sauna, 2 parking spaces and a storage room in Tres Torres.

This fantastic apartment, presented in good condition, is located in the residential neighbourhood of Tres Torres: an ideal family home with 5 bedrooms and spacious and bright living spaces. The building in which the apartment is located has exclusive features including an indoor and outdoor pool, a sauna and a games room. Two large parking areas and 2 storage rooms in the same building are included.

On entering the property we find, on the left hand side, a practical kitchen-diner, an outside laundry area and the service bedroom and bathroom.

A corridor leads to the heart of the property: a large space divided into different living areas. This space, bright and comfortable, benefits from a fireplace, which adds a touch of warmth, and an area used as a dining room.

The bedrooms are distributed around a small lounge. There are 4 bedrooms in total: a single bedroom, 2 bedrooms with separate entrances that share a comfortable study area, a complete bathroom and to the rear, the master bedroom with private bathroom.

The house has wooden flooring and Climalit joinery. Gas heating and air conditioning ensure comfort throughout the year.
