Incredible renovated apartment for sale in El Gótico

Wonderful renovated 3-bedroom apartment with period features and balconies in a twentieth century building in the Gothic Quarter.

This fantastic renovated principal floor apartment is located in a 1920's building without a lift in the Gothic area, a neighbourhood located in the old centre of Barcelona, brimming with life and full of shops and restaurants. The excellent renovation has preserved the original architectural elements, such as high ceilings, mouldings and beams, combining them with open spaces, a light colour scheme and materials such as wood, to create a cosy and charming home in the centre of Barcelona.

Upon entering, we find an entrance hall that leads to a pleasant spacious living room, with access to 2 balconies, the ideal place to take in the fresh air and enjoy Barcelona's privileged climate. Next, we find a modern and fully equipped kitchen that opens onto a spacious and practical dining room. Moving on we find a complete bathroom.

We access the night area, which consists of a spacious master bedroom with a fantastic private bathroom and access to a small terrace. Another 2 double bedrooms and two additional small bathrooms with shower.

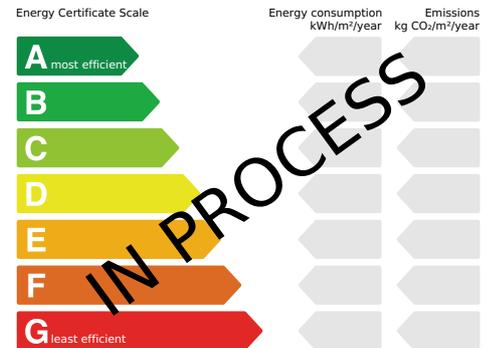

Surrounded by restaurants, bars and boutique stores, this loft is ideal for those seeking a city centre home, ideally located to enjoy Barcelona to the full.
