## Very bright apartment for sale with views of Sant Antoni Market

**Property on a high floor with 3 bedrooms and 2 bathrooms for sale in a classic building in Sant Antoni, completely newly renovated.**

This excellent property is located on a high floor of a classic building next to the Sant Antoni Market, an up-and-coming area surrounded by all services and very well connected by public transport.

The apartment is completely renovated, brand new, and is presented in perfect condition. In addition, it is very quiet, without noise from the street, and very bright, since all the rooms are exterior-facing to the street or the courtyard.

Upon entering the apartment we find the open kitchen with a bar and lots of natural light coming in from the patio. On the right we have the guest bathroom and the first bedroom, a space with a lot of charm that still features the original ceiling with Catalan vaulting and exposed beams. This bedroom has a nice balcony with an eastern aspect that allows a lot of light in. The balcony also has a utility area.

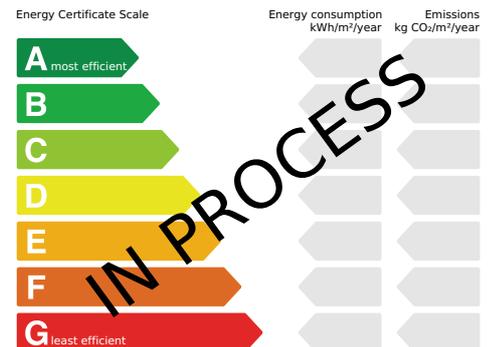

To the left of the kitchen there is a perfect space for the dining area, and from there we access the living room, with access to another balcony where you can enjoy the views of Sant Antoni Market. To the left of the dining room there is a single bedroom, and on the right, the master bedroom with a private bathroom.

This property is equipped with heating, air conditioning and double glazing and would be ideal for those looking for a very cosy brand new apartment very close to the centre of Barcelona.
