Newly renovated apartment with 2 bedrooms and 2 bathrooms for sale in Eixample Right, Barcelona

Excellent renovated modernist apartment, with lots of natural light and views from the forged iron balconies, in a classic building in the Eixample Right.

This elegant brand new apartment is located in the Eixample Right area, in a very comfortable location and close to the centre, near the Sagrada Familia. The property is located on a high floor and enjoys good orientation, so it has a lot of natural light that helps create spacious and bright rooms.

The apartment has been renovated, maintaining modernist elements such as mosaic floors and coffered ceilings, combined with a modern design with a light colour scheme and a functional layout. In addition, it is located in a classic corner building, in fantastic condition.

Upon entering, we find a hall that leads us to the night area of the home. On the right hand side, we find a wonderful master bedroom with a built-in wardrobe, private bathroom and gallery area. Moving on we find a functional single bedroom with a study area.

In the central area of the apartment, we find a practical utility area next to a large bathroom that connects with the living area of the property.

The day area offers a fantastic equipped kitchen, a comfortable dining area and a spacious living room with access to two wrought iron balconies with pleasant views.

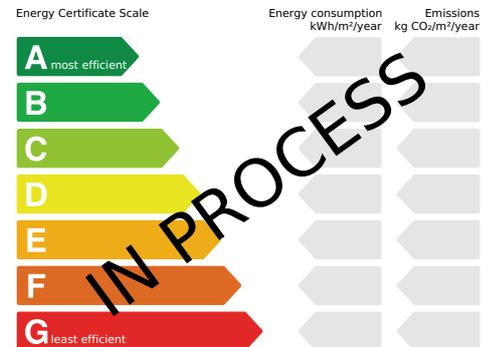

The property is equipped with ducted air conditioning and double glazed windows.
