OVERVIEW

Newly renovated 2-bedroom apartment for sale in a Prime Barcelona location.

We find this new development of 38 top-quality homes in one of the most elegant and exclusive neighbourhoods in Barcelona. This stately building dates back to 1944 and has been completely restored preserving the beautiful neoclassical façade. The building has 2 staircases separated by a majestic entrance that leads to an area lit by a skylight and flanked by a series of columns and decorative, classic-style vases.

The homes have been designed to maximize space and light by using large windows. The apartments combine modern design with period details on the balconies and at the entrance. The straight lines and the fusion of different materials and textures create very welcoming and comfortable homes

This particular property is located on the 2nd floor and measures 95 m². It has 2 bedrooms and 3 bathrooms, with an open-plan living/dining room which has its own balcony.

Without a doubt, one of the highlights of this development is its location between two of the most important streets in the city: Avinguda Diagonal and Via Augusta. It is a quiet residential area, with a wide range of everyday services and well connected to the city's main points of interest.

Do not hesitate to contact us for more information about this unbeatable opportunity.
