OVERVIEW

Bright and very quiet 2-bedroom property located on the fourth floor of a building with a sunny aspect.

In a beautiful building from 1933, with a lift, we find this property with 2 double bedrooms and a very sunny day area, with southwest orientation.

The apartment welcomes us with a long hallway which is very typical of the Eixample area. If we follow the natural path of the hallway, we find the first interior-facing double bedroom with a large wardrobe. Later we reach a complete bathroom and, later, the second double bedroom (also interior facing).

To our left we find a fully equipped kitchen with a breakfast bar. Next comes a bright day area, with a dining room and a lounge space, which connects to a small balcony that can fit a small table and two chairs.

The property has been recently renovated and updated on several occasions. It also has ceramic wooden-effect floors, air conditioning in several rooms and a projector in the living room with integrated 5.1 speakers for movie lovers.
