OVERVIEW

Apartment to renovate for sale, in a beautiful classic building on the prestigious Gran Via de les Corts Catalanes next to Rambla Catalunya and Passeig de Gràcia.

On the third floor of a building from 1945, we find this magnificent apartment, requiring complete renovation, but with an incredible potential to create a fantastic spacious home.

The property consists of 283 m² and boasts incredibly bright large spaces and high ceilings that increase the feeling of spaciousness of the rooms. It currently has five bedrooms and two bathrooms.

The apartment is exterior facing, with dual aspect and views of the Coliseum Theatre and a very quiet block patio. If desired, it is possible to leave the ceilings with Catalan vaulting.

The property has a storage room on the communal terrace. The building has two lifts and a concierge service.

A magnificent opportunity for those who wish to enjoy this excellent renovated home in the city centre. Please contact us to arrange a visit.
