OVERVIEW

Excellent 2-bedroom apartment for sale in a new development in Les Corts, Barcelona.

Nicaragua-Berlin is a development of loft apartments in Les Corts, a highly coveted area of Barcelona. In this magnificent location you will be able to find all kinds of services necessary for your day-to-day life, such as schools, health centres or leisure options, without giving up the tranquility that this neighbourhood offers.

In addition, the development offers private parking and storage rooms for its residents and excellent common areas.

As we enter the apartment, a hall leads us to the large living-dining room with an open kitchen fully equipped with the best appliances. This space is very bright and cozy. On the left is the night area. Here we find a fully equipped bathroom, a double bedroom with two beds and the master bedroom with a private complete bathroom. This entire floor covers an area of 84.60 m².

Finally, next to the hall, some stairs lead us to the 33.9 m² mezzanine floor that houses a multipurpose open room, perfect as a second living room, although it can be used for other purposes.

The apartment is exterior facing and very bright. As for its interior, it offers a modern industrial type design and is very functional, since it takes advantage of its high ceilings to gain additional space with the creation of the loft floor. It features high quality finishes such as radiators and ducted air conditioning with a heat pump; in addition to aluminum exterior carpentry with a thermal and acoustic bridge break with Technal glazing.

It is a unique opportunity to acquire a property with these characteristics in such a sought-after area. Ideal as a first residence for families or young professionals.
