OVERVIEW

2-bedroom, completely renovated pied-a-terre in the centre of Barcelona, next to Passeig Sant Joan.

This 74 m² renovated apartment in the heart of Eixample Right is the perfect pied-a-terre. Situated on the first floor of a classical 1940s building, this apartment has a very functional layout.

As you enter the apartment, we are find ourselves in the heart of the home, in a brand new, good sized, modern kitchen with a bar and top quality appliances built in. As you pass through the kitchen / dining area, to the left is the lounge with lots of natural light in the morning, that has beautiful views out on to Carrer Ausias Marc, one of the most popular streets in Barcelona.

To the right of the kitchen we find ourselves in the sleeping area which consists of one single bedroom and one double with built-in wardrobes. The double has direct access to an exterior patio with many possibilites. This exterior patio has a little storage room attached to it, which is a great place to put the washing machine.

This apartment is ideal for a couple, or a single professional, looking to live in the city centre, close to all of the essential areas. Also a great pied-a-terre for a small family that visit the city every so often.
