Excellent 3-bedroom apartment for sale in Turó Park, Barcelona

This fabulous home was renovated by one of the most important architecture studios in the country, A-cero. It has 3 bedrooms and 2 bathrooms and is located a few steps from Turó Park.

This excellent 170 m² apartment is located in a 1965 building with a lift and concierge service in an unbeatable location. Enjoy a renovation with high quality finishes and materials in which the bright and spacious rooms have been combined with a modern design using a range of black and white shades and lighting that make it a unique piece in the area of Turó Park.

The apartment layout is very functional, since it clearly separates the day area from the night area through paneled walls that, when closed, are practically invisible to the eye.

The day area is completely open, which provides a sensation of spectacular spaciousness as soon as you enter. The living room offers wonderful views of Francesc Macià and, from the sofa, only the treetops can be appreciated, providing a very pleasant feeling. The living room also boasts an integrated home cinema. The island-shaped kitchen is from the Krion brand, as are the bathrooms. This brand is famous for its pore-free porcelain materials and additives that prevent the spread of bacteria. Likewise, they stand out for their hardness, resistance, durability, ease of repair, low maintenance and easy cleaning.

In the night area we find three bedrooms: one single, one double and a master suite with a dressing room. All of them have wardrobes integrated into the furniture and paneled in the same way as the rest of the apartment.

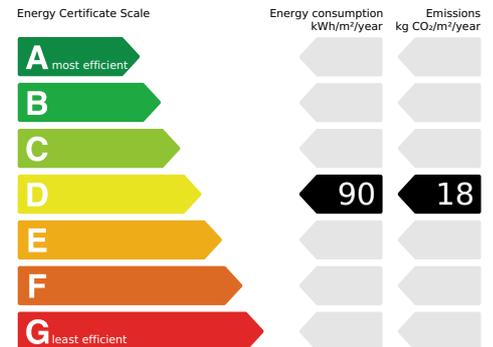

The entire property is equipped with an air conditioning system by Mitsubishi brand ducts and heating by radiators. It also has one of the best home automation systems, KNX, which includes an alarm, air conditioning actuator, heating actuator, audio actuator, flood detection, blinds and blinds actuator and lighting system actuator, among many others. stuff. The apartment is sold with all the furniture, including the paintings, since they are works of art that contribute to the magic of this property.

Without a doubt it is the perfect home for a family or a young couple.
