### OVERVIEW

## Apartment to renovate on a top floor for sale in one of the most coveted areas of the Barcelona's Zona Alta district, Turó Park.

In the heart of Turó Park is this magnificent apartment to renovate. Located on a high floor of the building, the apartment enjoys plenty of natural light.

The layout is as follows. When entering the property via the main door, we find a large hall that leads to the different rooms of the home. On the left, there are two single bedrooms that share a complete bathroom. To the right is the kitchen, which is quite spacious, with a small gallery and a toilet.

Continuing down the corridor, we find the day area that consists of a spacious dining room and a spectacular living room. The large living room is totally exterior facing, which makes it the best room in the property. Thanks to its height, the apartment enjoys spectacular views of Turó Park. Next to the living room, there is the main bedroom, which is also very spacious and bright.

The perfect apartment to carry out an excellent renovation project and create a beautiful personalised home.
