105m² Floorplan

OVERVIEW

Beautiful bright property on a high floor measuring 105 m² with 3 bedrooms.

This fantastic 3-bedroom, 2-bathroom apartment is located on one of the best streets in the city.

It is a property of 105 m² with a balcony offering spectacular views. This intern apartment is located in a 1902 building in perfect condition and has some original features, such as the typical ceilings of the Eixample neighbourhood.

The property has a lot of natural light, since it is on a high floor that faces both the street and the block patio.

The day area is very open and bright. The kitchen is open, which gives a very pleasant feeling of spaciousness.

The night area consists of three bedrooms, two of them double and very large. The suite offers a dressing room and a complete bathroom, while the other double bedroom overlooks the block patio and is the largest. The third bedroom is currently used as an office, but could easily be converted into a single bedroom.

The utility area is on a small balcony at the back.
