OVERVIEW

Designer second floor apartment with 2 bedrooms for sale overlooking Calle Mirallers in a brand new development in the Born neighbourhood.

At the heart of the trendy Born district of Barcelona Old Town, surrounded by independent clothes boutiques, design studios, bars and restaurants, we find this gorgeous apartment for sale on the second floor of a newly restored building dating back to 1900.

The apartment has been lovingly designed to incorporate the pretty mosaic floor tiles that are so typical of Barcelona's turn-of-the-century buildings and the high ceilings with vaulting and exposed beams. These charming period features are harmoniously combined with high-end modern day finishes and fittings to create a fresh, elegant and very contemporary atmosphere.

This particular property has an open-plan living and dining area with an integrated kitchen. There are 2 good sized double bedrooms and a complete bathroom. This property measures 61 m² and there is a balcony in each of its rooms, guaranteeing plenty of natural light.

An excellent, brand new property in a prime location in Barcelona Old Town.
