OVERVIEW

Impressive, modern 3-bedroom house for sale in Poblenou, Barcelona.

We find this magnificent house, available furnished or unfurnished, in a quiet pedestrian passage just 500 meters from the beach of Mar Bella, in the area of Diagonal Mar. The property is very bright with three terraces, three bedrooms, two bathrooms, a toilet and parking for two cars.

The house measures a total of around 275 m² with a unique design by renowned architecture studio Alonso and Balaguer. The design artfully plays with interior and exterior spaces and the fantastic natural light that flows through every room of the house.

The house is distributed across three levels plus the parking in the basement, with little distance between the floors the entire house offers large spaces. On the ground floor we find a pleasant terrace with direct access to the kitchen, a toilet and a large living-dining room with access to an outdoor space of about 25 m² which is integrated into the house itself. The spacious living room leads to another terrace of some 30m² on the second floor. The bedrooms include a suite and 2 singles plus a bathroom - all found on the third floor.

There is a private double parking space and a storage area in the basement.
