Newly renovated, designer triplex property with a private patio and terrace, 3 bedrooms and incredible features such as stone walls, wooden beams and vaulted ceilings. Very special.

Charming triplex property located in one of the most dynamic neighbourhoods in Barcelona, Sant Antoni, an important new meeting point in the city. The property is located next to the Poble Sec metro station and is in an area with many cutting-edge restaurants (Tickets, Ikibana etc), next to Carrer Parlament.

This unique newly renovated residence is spread over 3 floors. It has 120 useful m². On the ground floor it offers a living room, open equipped kitchen, a guest toilet and a dining room with direct access to a 13 m² terrace with a grille on the ground to allow light to enter the patio on the floor below. There is a utility area on this terrace.

The top floor of the property contains a complete bathroom, 2 bedrooms with large wardrobes and a study area. On the lower ground floor we find the incredible master suite with a private lounge, bathroom, dressing room and direct access to a completely private 13 m² patio through beautiful floor-to-ceiling oscillating doors. This level of the property boasts fabulous vaulted ceilings and is a truly unique space.

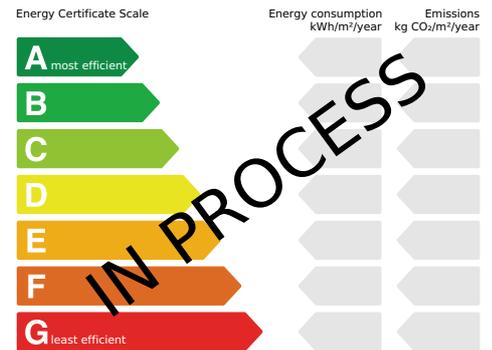

Not only has the renovation included top end materials but it has also restored characterful features such as stone walls, wooden beams and vaulted ceilings. The layout and lighting has been carefully planned and light wooden flooring, large windows and glass partitions offer warm, welcoming spaces with a very special atmosphere.

An enviable avant-garde residence in a popular Barcelona neighbourhood.
