Newly renovated property (renovation to be completed in August 2017) with great charm and style, located in a historic building in a dynamic area of the city, in the historic Gothic quarter.

The property measures 82m<sup>2</sup> according to the floor plans (74'65 m<sup>2</sup> constructed and 64'30 m<sup>2</sup> useful according to the register) The layout of the property offers open, airy spaces and clearly defined day and night areas. In the living area we find an open plan living room – dining room and kitchen with a balcony over the street, while the night area consists of 2 double bedrooms, one with an en-suite bathroom and the other with double doors to the second bathroom, also used as a guest bathroom.

Original features have been maintained and restored to their former glory, such as the mosaic floor tiles and the stone walls, creating an elegant, modern atmosphere with a refined character.
