OVERVIEW

Renovated apartment in the Gothic Quarter with charming interior design and high, hand painted ceilings available for sale.

On an attractive street in the Gothic neighbourhood of Barcelona Old Town, we find this beautifully renovated property for sale. The renovation has been carried out with high quality materials and combines excellent modern finishes with charming original features such as the 3.5 metre high hand painted ceilings.

The property has a usable area of 70 m² and, as it has just 1 bedroom, the rooms are all spacious and airy. The living room is particularly generous and comfortable, with balconies overlooking the street, high ceilings, and a Mitsubishi heating and air conditioning unit.

The modern, well designed kitchen diner features Siemens appliances and a 3 cm thick marble worktop.

The lovely airy bedroom also has a Mitsubishi air conditioning / heating unit and benefits from a custom-made fitted wardrobe and an ensuite bathroom with a shower. There is a second bathroom for guests.

The property has been finished with solid wood floors, soundproof Climalit windows, pine shutters and Roca taps.

This is a particularly spacious, comfortable and well designed 1-bedroom home in a coveted area of Barcelona. Please feel free to contact us to arrange a visit.
