OVERVIEW

Beautiful renovated 2-bedroom apartment with plenty of light in the old town of Barcelona.

This welcoming apartment is on the third floor of a building without a lift and enjoys plenty of natural light, next to one of the most popular shopping streets in Barcelona, Portal de l'Angel. It is an exterior-facing and bright apartment, with a comfortable and practical layout. The apartment has been renovated using excellent quality materials whilst retaining beautiful original features, such as the Catalan vaults and the exposed brickwork, all of which add charm.

The apartment has a large living area with the open plan living room and kitchen. The day area enjoys abundant natural light thanks to the big windows in the whole apartment. A corridor leads to the bathroom, a large single bedroom on the right and a double bedroom on the far right. Both bedrooms are exterior facing and enjoy natural light.

For maximum comfort, the apartment has a hot / cold air conditioning system for comfort throughout the year.
