OVERVIEW

Refurbished penthouse with views of the Sagrada Familia, for rent in Fort Pienc, Barcelona.

This cosy penthouse in Fort Pienc is located on the top floor of a 1929 Modernista building with a lift and stunning views from the communal rooftop terrace of the building.

This penthouse has a picturesque and functional design. Upon entering, a dining room is presented with an open-plan kitchen, fully equipped with an island and Bosch appliances.

A hallway connects to the rest of the apartment, consisting of a guest bedroom with a built-in wardrobe on the left and a double bathroom on the right, with access to a walk-in closet that is part of the master bedroom. Both this room and the living room face the street and have views of Tibidabo and the sea.

As this apartment is on the top floor of the building, you have quick and very comfortable access to the communal roof terrace. The property stands out, of course, for the panoramic views it offers, with direct views of the Sagrada Familia cathedral, the Agbar Tower and Tibidabo.

The renovation has maintained certain architectural features such as exposed brick walls and original window and door frames. In addition, it has marble floors, ambient lighting details, as well as duct heating and air conditioning.
